Answer:
ROOM 238Very dreary, beige and more beige...I can't remember the room number on our last visit, but it was very oppressive !! ..I'm surprised The Capital have chosen to go the route of " dark" or "bland" which is acceptable in some of the larger chains. The Capital used to be very stylish..... Quite sad really ! However the bed was super comfortable

Do you have any other comments regarding your bar or dining experience at The Capital?

Answer:
<p>Very friendly service Lunch was extremely good value and quite delicious I could do without being able to see into the kitchen (not stylish at all) maybe one way glass would work better The dining room was much more chic in its last incarnation ! There is a hole in the carpet next to where we were sitting, the carpet should either be replaced or the damaged part hand sewn by a good carpet fitter.</p>
