Do you have any other comments regarding your bedroom?

Answer:
The mattress and bed linens were very comfortable. Capet was soiled and needs to be cleaned and/or replaced. Television is dated and needs to be enlarged to contemporary standards (42"). Satellite TV would be greatly appreciated. Draperies were difficult to operate - the shear drapes could not be raised or parted, or we weren't instructed how to do so by staff. Please stock the bathroom with extra bath towels

Our room was near the end of the hall near the housekeeping closet. We could hear the staff talking with one another before we arose making it difficult to enjoy those extra few minutes of sleep one expects while on vacation.
